The Pacolet Manufacturing Co's No. 3 mill, at Pacolet, destroyed by flood last year, is again in condition for opration and will at once begin manufacturing.

The work of bringing colonists ed. Last Monday papers were signed and delivered to an agent who will proceed at once to populate and to build up 10,000 acres of land in Lexington county which has never been under cultivation. The amount involved in the tran saction is something like \$125,

It is reported that another disease of the cotton plant has sprang into existance. This time the cry comes from Pickens county. It is neither boll weevil, blight or rust, but it kills the plants just the same. First the roots seem to die. This causes casting and soon nothing but the bare stalk is left. It:

In the country where Thomas Nelson Page once lived, there was a man who, having lived an irregular life, came to his last illness. Realizing his situation, he sent for the minister, who talked with him kindly about talked with him kindly about his spiritual affairs. He said. "You repent of your sins?" 'You pray for forgive"Yes." "You pray for forgive"Tariff revision means the removal of an open to brighten the darkness of many heathen homes, carrying to them water.

Tariff revision means the removal of an open to brighten the darkness of many heathen homes, carrying to them of heaven.

of Marlboro county.

IN MEMORIAM.

Mrs. Annie Preston Drake Rogers. Full and complete are God's provisions for every need in all condi-tions of life, and the church must be ever profoundly grateful for the in-spired tribute paid to its dead. In the first hours of bereavement the heart is comforted by the thought that while in the midst of visious revealing heavens transcendent glory and the wreck it on every hand. The rural districts are of worlds, the apostle of love was comdotted with new buildings full stocks of manded to write. Thro the deepest pest of its bitterest wail are heard the precious words: "Blessed are the dead". When the cares of this world weigh heavily and the hands seemed burdened with manifold duties, beyond the imits of time or strength how sweet o know that the loved one resis! and

it is the privile e of the living to write on the "works that follow". Reverently, with hearts sorrowing ver our loss, aching afresh each day with a keener sense of loneliness and vainly listening for the beloved voice we years next succeeding. The indication of Parnassus church, we come to speak of our leader.

On May 9, 1904. Annie Drake Rogers said Good night here to Life, but in a brighter clime awoke to say good morning. On that day she left earth and entered the "saints rest" Although frail in body she did not count her life dear, nor did she eyer hesitate when by the sacrifice of home comforts and personal ease she could do aught that would help to advance Gods kingdom in the world. In hours of joy, grief or perplexity she was always ready with words of love, symnearly divine, which reaches out and takes in both the poor and suffering crintent Col. D J. Griffith, of C she followed closely the Master's footsteps and her ministry was akin to that of angels. If ever illness or sor-row came to others, no thought of self kept her from their side and stayed ception, this farm is a paragon her ministering hand. Her tircless energy, tender affection and deep interest in that touched the inner life of those associated with her both in her home and one work, may not be told in words. They are living pictures fresh in the memory of those

When the trail body could no lon- has grown beyond expectationger respond to the demands of the still active mind, and nearly every hour was marked by acute pain, she had so often and so tenderly cared for said that several acres are now affected and the disease is spreadhad sent loved ones to be round about and the air was vibrant with songs of victory from the far off land. With her life's work well done, she has passed into the rest of the more abandant Life beyond where she has realized what her prayers and money have done to brighten the darkness of many
